DIRECTOR'S MESSAGE

At Symbiosis, we foster an environment that seamlessly integrates excellence and diversity, cultivating a rich tapestry of perspectives and ideas. Our philosophy is rooted in the continuous journey of learning, unlearning, and relearning, which empowers individuals to adapt and thrive in an ever-evolving legal landscape. Upholding the highest ethical, moral, and professional standards remains the cornerstone of responsible and impactful practice at our institution.

As an institute committed to nurturing future leaders, we ensure our contributions benefit legal practitioners and the communities they serve. The Moot Court Competition at Symbiosis Law School, Hyderabad, reflects this ethos, standing as a testament to our values of consistency, integrity, equality, and fairness. With every edition, we strive to create a platform that challenges and inspires students to excel in logical reasoning, persuasive argumentation, articulate presentation, and meticulous research, preparing them to be confident and capable advocates.

This year, we are thrilled to host the 10th Moot Court Competition, a landmark edition that promises to raise the bar even higher. As participants, you are not just engaging in a competition but contributing to the vibrant discourse that shapes the future of law and justice. We are confident that this event will be both enriching and inspiring, leaving an indelible mark on all involved.

It is my privilege to welcome you to the 10th Edition of the Symbiosis Law School, Hyderabad Moot Court Competition 2026, and I look forward to witnessing the exceptional talent and dedication that define this event.

DR. SUNIL GEORGE
DIRECTOR, SYMBIOSIS LAW
SCHOOL, HYDERABAD

ABOUT THE MOOT COURT ASSOCIATION

The Moot Court Association (MCA) of SLS, Hyderabad is a dynamic body, guided by the Faculty In-Charges, Dr. Syed Shahid Rashid & Dr. Siddharth Deoras, and Assistant Faculty In-Charge, Dr. Sherin Priyan, to achieve its objective of creating a harmonious environment for mooting, by inculcating an interest amongst the students through developing and honing their research and oratory skills. To realize this, the MCA is actively involved in conducting various training workshops, orientations, mock trials and moot court competitions, for students at multiple collegiate levels, and organizes national competitions for various law schools across India.

ABOUT THE COMPETITION

The institutes of Symbiosis believe in the holistic development of a student, which can be achieved not just with academic education but also with avid participation in co-curricular activities. Mooting is one such aspect that proves to be the backbone of a law school in assisting law students by providing them with the requisite practical experience and knowledge. The Moot Court Association is delighted to announce its 10th Symbiosis Law School Hyderabad Moot Court Competition, 2026 which aims to enrich students with education and mastery in the art of oration, argumentation, and research from the inception of their careers.

The 10th Edition of the Moot Court Competition, 2026 shall be held on the premises of Symbiosis Law School, Hyderabad, with an expert panel of eminent personalities aiming to level up mooting to its zenith. Our previous editions have featured some of the country's best mooting teams, demonstrating their immense proficiency and setting an impressive standard for debate and research.

ABOUT THE MOOT PROPOSITION

The Digital Personal Data Protection Act, 2023 (“DPDP Act”) represents a landmark development in India’s data protection and privacy regime. Enacted to safeguard personal data in an increasingly digital ecosystem, the Act imposes enhanced obligations on data fiduciaries while strengthening individual rights, particularly in the context of emerging technologies and digital platforms.

The Moot Proposition explores the intersection of data privacy, technology, and regulation, with a focus on ed-tech platforms, AI-driven systems, and the protection of children’s data. Participants will be required to examine issues of consent, regulatory oversight, intermediary liability, and constitutional safeguards in a rapidly evolving digital landscape. By engaging with these contemporary challenges, the proposition invites students to critically analyse the balance between innovation, security, and the right to privacy, making the moot a rigorous test of legal research, analytical acumen, and advocacy skills.
