## CLARIFICATIONS

1. Whether the four nations engaged in the conflict (Serica, Ombra, Xanterra, Veridia) have ratified Additional Protocols to the Geneva Convention?

**Ans: Please note only what is given in the Note section (page 11 of the moot proposition) are ratified by the nation-states.**

2. Are Orion Fort Military Base and Fort Liberty Military Base same? Which cities are both the Military Bases located?

**Ans: No, they are not the same. Both the Military bases are in the city of Valea.**

3. In para 25 line 6, it is mentioned that the CVR was not collected, while later the CVR is termed as insufficient as per the Chicago Convention in the same paragraph.

**Ans: The subsequent line clarifies the same 'Despite these challenges, Mr. Strickland managed to gather some evidence from the debris. While the CVR could not provide direct evidence of collusion, subtle hints within the wreckage suggested a sophisticated level of coordination and planning in the attack.' The rest is subject to the Team's interpretation.**

4. In which country is the city of Valea located?

**Ans: Valea is located in Serica. It is a border town close to Xanterra.**

5. Is the Maroon Cross Society (para 10 moot prop) an equivalent of the Red Cross society?

**Ans: Yes.**

6. Composition of the 289 deceased, if possible. Any nationals/citizens of Junta and Mridas island nations?

**Ans: Yes, there were nationals from all the nations.**
