#### CLARIFICATIONS

*Kindly find clarifications for the queries raised:*

1. In point 7 there's a mention of an Industrial park, should it not be an Educational Institute?

**CLARIFICATION:** It will be an educational institution. However, please note the Company demanded 8,000 acres and their intention for an industrial park is being reflected by the use of the term 'industrial'.

**Please note** - Its only intentional and a plan, so it should have no bearing from the Point of view of the preparation.

2. Is the Fisherman Tribe and Keshto Tribe two separate sets of affected people?

**CLARIFICATION:** The Fisherman Tribe is the Keshto Tribe.

3. In point 5 it's not very clear where the olive Ridley turtles were migrating from, where they used to breed previously?

**CLARIFICATION:** Place far off from Harinagar. Due to climate change and the rise in temperature of the sea, they have set it up for Harinagar.

4. What is the Proposition referring to with respect to the Fourth Issue?

**CLARIFICATION:** It deals with liability and whether the project can be brought to a halt.

5. With Respect to the Gulf of Gabbar mentioned in the Proposition, will the provisions of the Special Economic Zone (SEZ), be generic or of specified areas?

**CLARIFICATION:** It is open for the Teams to delve into the SEZ laws, given it's a Gulf region.
